JEWELRY

Eight years ago when we went looking for a camp for Will to attend, we set out with a vision and the hope that we would find a camp that he not only could be happy at for several years, but one that shared our values. Year after year Will has come home from camp, more **MATURE**, more **INDEPENDENT** and **WIDE OPEN TO NEW IDEAS**. *The Altman Family - Westchester, NY*

Seven years and 3 campers later, we can truly say that Iroquois Springs will be in our family's hearts forever. The kids had another fantastic summer **MAKING NEW FRIENDS, SOLIDIFYING OLD RELATIONSHIPS** and becoming more **CONFIDENT** right before our very eyes. *The Kaplan Family - Woodcliff Lake, NJ*

*Aquatics (Pool and Lake) Activities:*  
American Red Cross Swim Instruction, Water-Skiing, Wake-Boarding, Knee-Boarding, Tubing, Kayaking, Canoeing, Trips down the Delaware River and my favorite, The Agua Playground (Trampoline, Waterslide, The Rock-It and more)

*I loved my first  
summer at camp  
because:*

*The counselors, group  
leaders and directors made  
me feel so comfortable.*

*My stuff was unpacked  
when I arrived and it felt  
just like home.*

*I had so many other  
first time campers in my  
cabin, just like me.*

*We got big brothers/  
sisters who helped us  
have a great summer.*

*Meeting other kids at  
orientation before camp  
was so cool.*

MORE THAN JUST A PLACE TO BE TOGETHER, IT IS A PLACE TO COME TOGETHER AS A FAMILY.
